14 March 1955

MEMORANDUM FOR: Mr. Donald E. McNeil,
External Research Staff,
Department of State

SUBJECT: Research by Mrs. Dunham

1. The attached Catalog Information Form regarding Mrs. Dunham's study of Soviet fiction as a source of intelligence is returned as you requested. All of our research and support offices are interested in seeing Mrs. Dunham's manuscript or in receiving a copy of the published version. Our library states that it will buy a copy(ies) when published.

2. In view of the interest expressed in Mrs. Dunham's research study I would appreciate your further advice with respect to the availability of manuscript copies or information with regard to date of publication.
